

Installing OrthoAssistTM Assist Staff

1. Insert the CD into the computer. This will automatically start the InstallShield Wizard.
2. The first window that appears will be the Authorization window.

Complete the fields on the screen, print the form, and fax it to the GAC TechnoCenter (205-945-8932). A technical support representative will fax your authorization code back to you. You may also receive your authorization code by contacting the GAC TechnoCenter by calling 1-888-422-2376.

3. After receiving your authorization code, key the code in the *Product Key* fields and then click the *Authorize* button.
4. The next window that appears is the License window. Review the license agreement information; then click to accept the agreement. After accepting the license agreement, click .
5. Follow the screen prompts choose your destination location (where the files will be copied to your hard drive). If no change is made to the destination location, click .
6. Files will begin to copy to the hard drive and you will see the progress bar move toward 100%.
7. At the end of the installation, click the  button.
8. Double click on the desktop icon to start using the OrthoAssist Staff program.
