

WHAT TO EXPECT & HOW TO CARE FOR YOUR BRACES™

Version: 3.1

Installation Instructions

Please be aware that this version of Patient Care Video is only compatible with the following operating systems – Windows 2000, Windows XP Home, Windows XP Professional and Windows Server 2003.

1. Insert the CD into the computer. This will automatically start the InstallShield Wizard.
2. The first window that appears is the Patient Care Video License window. Review the information and then click Yes to accept the agreement.
3. The Patient Care Video ReadMe window will appear. Review the information and then click Next to proceed with the installation.
4. Files will begin to copy to the hard drive and you will see the progress bar move toward 100%.
5. At the end of the installation choose Yes to Restart and then click the Finish button.
6. Double click on the desktop icon after the computer has been restarted. Click the Authorize button on the Splash Screen to launch the Authorization window.
7. Fill in the form, print it and fax it to 205-822-2714 or contact the GAC TechnoCenter by phone or email. You will receive a Product Key that will Authorize you to run the software. Enter the Product Key that GAC provides and click Authorize.

The screenshot shows the 'Authorization' window with the following fields and buttons:

- Site Code: URWQT-KRRMP-PKZTO-QPTPO
- Product Key: [Empty field]
- Authorize button
- Doctor Name: Dr. Wirebender
- Contact Name: Susan
- Address: 2108 Rocky Ridge Road, Suite 2
- City, State Zip: Birmingham, AL 35216
- Country: USA
- Phone: 8884222376
- Fax: 2058222714
- Email: TechnoCenter@GACIntl.com
- Print Registration Form button
- Cancel button

Callouts point from a 'Product Key' box to the Product Key field and from an 'Authorize' box to the Authorize button. The word 'then' is placed between these two callouts.

If you have any questions please call the GAC TechnoCenter at 888-422-2376.
